Certificate of Agricultural Exemption from Zoning and Possibly Building Permits

Date _____ Certificate Number: JTZ – FC – 20__ -- _____

Owner _____ Address _____

Applicant _____ Address _____

Township _____ Telephone _____

We further understand that:

The agricultural exemption must be maintained, otherwise a change of use will apply to the structure and both a zoning and building permit must be secured.

We believe the structure is exempt from the zoning and building codes because the structure will be used as a minimum of 51% for agricultural purposes as defined in Chapter 3781.06 to 3781.18 section (B) Ohio Revised Code.

Owner Signature Date _____

Upon review of the request for exemption, I Dana Kellenberger, have determined that the exemption is consistent with the Ohio Revised Code.

_____ Dana Kellenberger, Zoning Official

A building permit will not be required for the agriculturally exempt structure if signed below by the Building Official.

_____ Chief Building Official
