

Ponthir Sports & Community Club

Power Line Burial Project

By burying the overhead power lines we can get

- New sports pavilion with
 - Ladies changing facilities
 - Disabled changing and comfort facilities
 - Community meeting and recreation areas
 - Eco-friendly design with low running costs
- Multi-use Games Area for
 - Basketball
 - Netball
 - Tennis
 -and lots more besides

and.....

- New Gwent League standard football pitch
 - Ladies football
 - Year round training facilities
 - Avoids game clashes between vets and youth
 - Allows cricket to be played full season
 - Allows football to be played full season
- Areas of re-naturalisation
 - Ponds
 - Trees
 - Meadows
 - Areas for children and volunteers for environmental projects

Where we want to achieve it
