

Teaching Parenting the Positive Discipline Way

Teaching Parenting the Positive Discipline Way (developed by Jane Nelsen & Lynn Lott) is a research-based, trauma-informed parent education program that provides a step-by-step approach to starting and leading experientially based parenting groups.

This program stands alone or offers significant enhancement to any program. It provides experiential activities that reach the heart to inspire deeper understanding and change.

Participants will earn recognition as *Certified Positive Discipline Parent Educators* and will:

1. Learn research based, effective tools & techniques for teaching parents how to use discipline that is kind and firm at the same time (non-punitive, non-permissive).
2. Learn how to facilitate a parenting class from the position of a non-expert.
3. Gain practice with experiential exercises that help parents go beyond intellectual understanding to be able to respond in empowering ways that teach children.
4. Learn how to use materials and activities in group settings, parenting classes and individual work with families.

Materials provided: *Teaching Parenting the Positive Discipline Way* manual, Tool Cards & book
