

# Positive Discipline

## IN THE CLASSROOM

Now, more than ever, teachers need tools that can help them create connection and a sense of community with their students.

### The Certification

This 5-session interactive workshop is designed for teachers, counselors, and administrators who want an effective discipline approach based on Adlerian Psychology, that **integrates trauma-informed strategies for teaching important socialization skills while reducing challenging student behaviors.**

Attendees will earn recognition as Certified Positive Discipline Classroom Educators.

### Learn To

- ✓ Teach students social-emotional skills such as emotional awareness and regulation, cooperation, communication, conflict resolution, leadership...and so much more!
- ✓ Learn Positive Discipline/Adlerian psychology for use in the classroom and school community.
- ✓ Create a classroom with a sense of community in which teachers and students show respect for each other.
- ✓ Establish explicit classroom structures and procedures.
- ✓ Understand the belief behind the students' misbehavior and how to motivate positive change.
- ✓ Teach problem solving and solution building, so students learn how to manage and resolve conflict peer-to-peer, without adult intervention.

Materials included with registration: *Positive Discipline in the School & Classroom* manual & book (available in both English and Spanish.); Teacher Tool Cards
