Build in GPS

With built-in GPS feature, you can track your route directly on REDTIGER app, discover new places, and share them with friends before, all thanks to our advanced GPS.

Loop Recording

Free 128GB

The included 128GB SD card can save videos for a longer time, and every 1/3/5 min loop recording ensures that new footage overwrites the oldest files, so you're always recording the latest incidents.

• Recording time for different SD cards.
