

HULBON

How it works:

1

Complete the Google Form

Once you contact us, we will send you a Google Form that will give us all the information we need and more, such as steps 2-3, and any suggestions from you on areas you want highlighted.

2

Select Your Services

Whether you want a promotional video, pictures, videos, etc. all you have to do is choose and leave the rest up to us. At this point, we will send you the contract and once that it signed, we can get started.

3

Schedule a Flight Date

Our certified drone pilot will be on-site for anywhere from 1 to 4 hours. Duration will depend on a few factors; like how busy the course is, the weather, and more. We will be there until we get all the shots we need.

Day 1

Start the Plan

- Scout the Course
- Set Up Waypoints
- Test Run/Preview
- Finalize Details

Day 2

Filming Day

- Arrive and Set up
- Film During Reserved Tee Times

Day 3

Filming Day

- *Only If Needed*
- Film Remaining Holes During Reserved Tee Times

Example

Golf Course Promo Video

4

Preview and Revise

You can expect to receive the videos/pictures in less than 3 weeks. You will be able to preview the product and provide any feedback if you want revisions made.

5

Post the Video/Pictures on Your Website

Your product will be sent or delivered to you; depending on what you ordered. At this time, you will be able to display the final product for all to admire.
