FITNESS BIOSTACKING GYM DELUXE

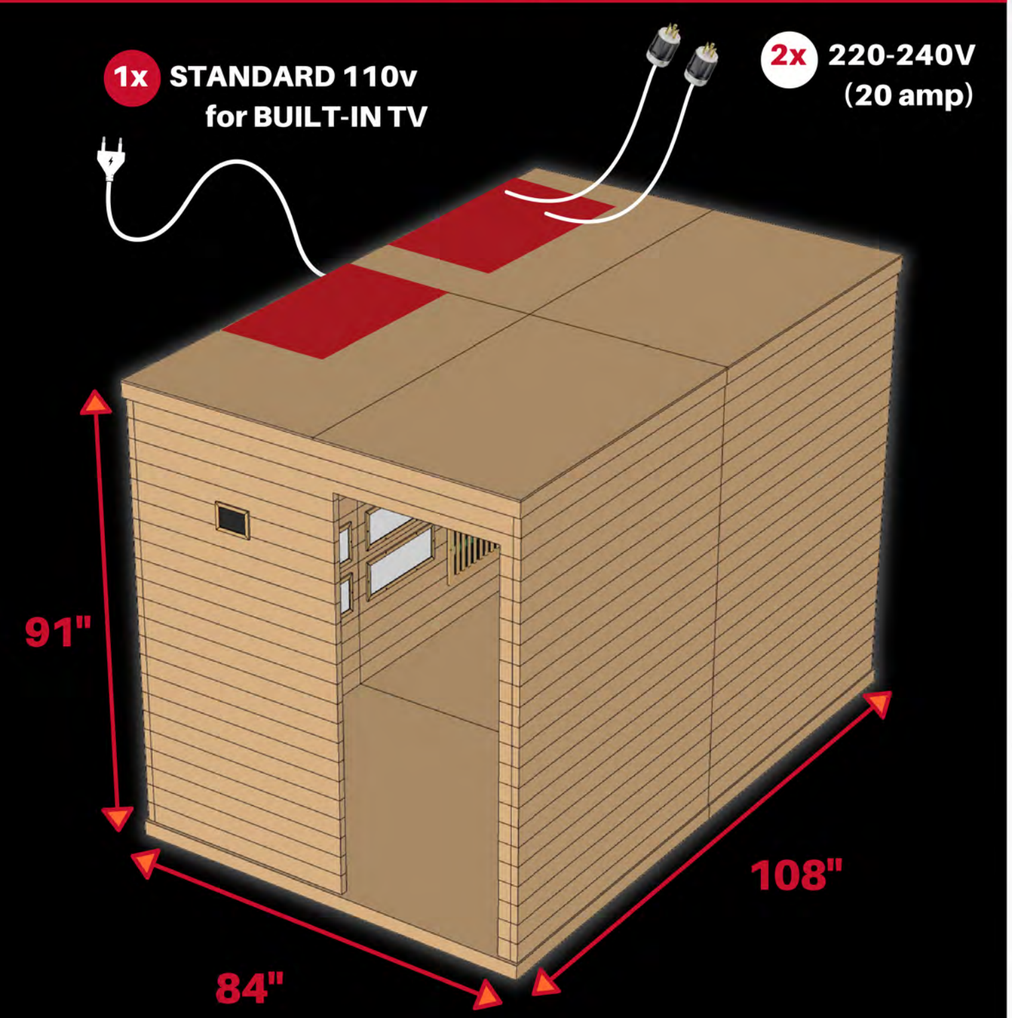
# SMALL FOOTPRINT
63 sq/ft



## SIZE:

**Width: 84"**
**Depth: 108"**
**Height: 91"**
*213cm (W) x 274 cm (D) x 231cm (H)*

**NOTE: POINT OF CONNECTION FOR MAIN POWER**
We recommend installing the two receptacles (for 220V lines) approximately 6 feet above the ground on behind the **Fitness Biostacking Gym's** back wall, situated a few inches below the top (roof of the RedFit Room.)

## ELECTRICITY/POWER

**220-240V 50/60Hz**
**Power:** 6400W

**NOTE:** Required to use **2 (two) 220-240V with 20 amp** dedicated circuits

- **2** Power plug receptacles necessary (**NEMA L6-20**)

- **1 x 110V receptacle is also required to plug in the built-in TV**

(We suggest installing that receptable around or near the 220V receptacles.)

ELECTRICALLY CERTIFIED
