

# Angela Theodosopoulos

---

Ecology and Evolutionary Biology  
University of Colorado at Boulder

Telephone: 801-499-1628  
Email: [angela.hansen@colorado.edu](mailto:angela.hansen@colorado.edu)

---

## EDUCATION

Current PhD student, University of Colorado at Boulder; Advisor: Dr. Scott Taylor  
2015 Bachelor of Science in Biology; Advisors: Dr. Dale Clayton and Dr. Sarah Bush

---

## PUBLICATIONS (\*Indicates co-authorship)

1. **\*Theodosopoulos AN, \*Hund AK, Taylor SA (2019)** Parasites and host species barriers in animal hybrid zones. *Trends in Ecology and Evolution* (34) 19-30.
2. **Theodosopoulos AN, Gotanda KM (2018)**. Death of a Darwin's Finch: a consequence of anthropogenic debris? *The Wilson Journal of Ornithology* (130) 1023-1028.
3. McNew SM, Knutie SA, Goodman GB, **Theodosopoulos AN**, Saulsberry A, Yépez JR, Bush SE, Clayton DH (2019). Annual environmental variation influences host tolerance to parasites. *Proceedings B* (286).
4. DiBlasi E, Johnson KP, Stringham SA, **Hansen AN**, Beach AB, Clayton DH, Bush SE (2017) Community interactions govern parasite dispersal and population genetic structure. *Molecular Ecology* 27(12) 2770-2779.

## IN PREPARATION

1. **Theodosopoulos AN, Spellman G, Grabenstein KC, Taylor SA (In prep)** Higher Blood Parasite Prevalence and Diversity in an Elevation Generalist versus Specialist. **Target Journal: Molecular Ecology.**
- 

## GRANTS AND AWARDS

CU Boulder Center for the Study of Origins one semester fellowship	2020
CU Boulder EBIO Department one semester fellowship	2020
NWT LTER Summer Fellowship	2020
Outstanding Graduate Student Teacher Award (\$200)	2020
CU Boulder Beverley Sears Graduate Student Grant (\$1000)	2020
CU Boulder EBIO Department Research Grant (\$2000)	2020
NWT LTER Summer Fellowship	2019
NSF GRFP Honorable Mention	2018
Society of Systematic Biologists Graduate Student Award Program (\$2000)	2018
CU Boulder Beverley Sears Graduate Student Grant (\$1000)	2018
CU Boulder EBIO Department Research Grant (\$2500)	2018
Galapagos Global Seminar Course Improvement Grant (\$5000)	2018
CU Boulder EBIO Symposium Poster Award (\$25)	2018
Undergraduate Research Opportunities Program Assistantship (\$4000 over 2 semesters)	2015
Undergraduate Research Opportunities Program Small Grant (\$200)	2015

---

## TRAINING AND RESEARCH EXPERIENCE

Summer Research Fellow, Bethlehem PA (PI: Amber Rice, Lehigh University)	2018
Field technician, Galapagos Islands (PI: Kiyoko Gotanda, University of Cambridge)	2017
Intern, the Birds of Prey Foundation, Broomfield CO (Supervisor: Emily Davenport)	2016
Field technician, North-Atlantic Coast (Supervisor: Meaghan Conway, University of Maine)	

Field technician, Galapagos Islands (Supervisor: Sabrina McNew, Cornell University)  
Undergraduate research assistant, University of Utah Department of Biology 2014-2015  
(Advisors: Dale Clayton and Sarah Bush)

---

#### TEACHING AND MENTORSHIP

Teaching Assistant for Ornithology (32 students) 2020  
Mentorship of 2 undergraduate research assistants  
Teaching Assistant for Animal Behavior Lab (1 section with 18 students) 2019  
Teaching Assistant for Genetics (3 sections, 18 students each)  
Mentorship of 5 undergraduate field assistants  
Guest Lecturer, Animal Behavior (EBIO 3240)  
Teaching Assistant for Animal Behavior Lab (2 sections, 18 students each) 2018  
Mentorship of two high school students through CU Science and Discovery  
General Biology II Lab (3 sections, 18 students each)  
General Biology I Lab (3 sections, 18 students each) 2017

---

#### PROFESSIONAL PRESENTATIONS (\* indicates poster presentation)

Ecological Society of America 2020  
American Society of Naturalists 2020  
Boulder Chickadee Study Symposium 2019  
NWT Site Review Poster Session 2019  
Lehigh University invited talk 2018  
American Ornithological Society\* 2018  
Guild of the Rocky Mountain Ecologists and Evolutionary Biologists 2018  
Universidad de San Francisco de Quito 2017  
Effects of Synthetic Sugars on the Human Gut Microbiota Symposium\* 2015  
Undergraduate Research Opportunities Program Symposium\* 2015

---

#### SERVICE AND OUTREACH

Education outreach for students at Calwood Environmental education camp 2020  
Conference judge for the American Society of Naturalists  
Member of Diversity and Inclusion and EBIO colloquium committees  
Citizen Science coordinator for The Boulder Chickadee Study  
Guest educator for *Nature Kids Lafayette*; CU Science Discovery 2019  
Mentor and guest educator for *Research Experience for Community College Students*  
Organizer for Boulder Chickadee Study Symposium  
Member of EBIO Colloquium Committee 2017-Present  
Member United Government of Graduate Students at CU Boulder 2017-2018  
Volunteer at National Jewish Health; Denver CO 2016  
Co-lead English Learning Workshops; Galapagos Islands  
Member of Biology Student Advisory Committee (BioSAC); University of Utah 2015

---

#### SOCIETY MEMBERSHIPS

American Ornithological Society, Wilson Ornithological Society, American Society of Naturalists,  
American Genetics Association, Society for the Study of Evolution
