

Angela Theodosopoulos

Ecology and Evolutionary Biology
University of Colorado at Boulder

Telephone: 801-499-1628
Email: angela.theodosopoulos@colorado.edu

EDUCATION

Current PhD Candidate, University of Colorado at Boulder; Advisor: Dr. Scott Taylor
2015 Bachelor of Science in Biology; Advisors: Dr. Dale Clayton and Dr. Sarah Bush

PUBLICATIONS

1. Theodosopoulos AN, Grabenstein KC, Bensch, S, Taylor SA (2021) A highly invasive malaria parasite has expanded its range to non-migratory birds in North America. ***Biology Letters***.
Media Coverage: [Audubon Society](#)
 2. **Theodosopoulos AN**, Hund AK, Taylor SA (2019) Parasites and host species barriers in animal hybrid zones. *Trends in Ecology and Evolution* (34) 19-30.
 3. **Theodosopoulos AN**, Gotanda KM (2018) Death of a Darwin's Finch: a consequence of anthropogenic debris? *The Wilson Journal of Ornithology* (130) 1023-1028.
 4. McNew SM, Knutie SA, Goodman GB, **Theodosopoulos AN**, Saulsberry A, Yépez JR, Bush SE, Clayton DH (2019) Annual environmental variation influences host tolerance to parasites. *Proceedings B* (286) 20190049.
 5. DiBlasi E, Johnson KP, Stringham SA, **Hansen AN**, Beach AB, Clayton DH, Bush SE (2017) Community interactions govern parasite dispersal and population genetic structure. *Molecular Ecology* 27(12) 2770-2779.

GRANTS AND AWARDS

NWT LTER summer fellowship	2019-2021
American Ornithological Society research grant (\$1800)	2021
Western Field Ornithologists research grant (\$750)	2021
Colorado Field Ornithologists research grant (\$1500)	2021
CU Boulder Graduate School dissertation completion fellowship	2021
CU Boulder EBIO department research grant (\$633)	2021
CU Boulder Center for the Study of Origins one semester fellowship	2021
CU Boulder EBIO department one semester fellowship	2020
Outstanding graduate student teacher award (\$200)	2020
CU Boulder Beverley Sears graduate student grant (\$1000)	2020
CU Boulder EBIO department research grant (\$2000)	2020
NSF GRFP honorable mention	2018
Society of Systematic Biologists graduate student award program (\$2000)	2018
CU Boulder Beverley Sears graduate student grant (\$1000)	2018
CU Boulder EBIO department research grant (\$2500)	2018
Galapagos Global Seminar course improvement grant (\$5000)	2018
CU Boulder EBIO Symposium poster award (\$25)	2018
Undergraduate Research Opportunities Program assistantship (\$4000 over 2 semesters)	2015
Undergraduate Research Opportunities Program small grant (\$200)	2015

TRAINING AND RESEARCH EXPERIENCE

NSF LTER Science Writing Fellow	2021
NSF LTER Sumer Research Fellow	
Summer Research Fellow, Bethlehem PA (PI: Amber Rice, Lehigh University)	2018
Field technician, Galapagos Islands (PI: Kiyoko Gotanda, University of Cambridge)	2017
Intern, the Birds of Prey Foundation, Broomfield CO (Supervisor: Emily Davenport)	2016
Field technician, North-Atlantic Coast (Supervisor: Meaghan Conway, University of Maine)	
Field technician, Galapagos Islands (Supervisor: Sabrina McNew, Cornell University)	
Undergraduate research assistant, University of Utah Department of Biology (Advisors: Dale Clayton and Sarah Bush)	2014–2015

TEACHING AND MENTORSHIP

Mentorship of 7 undergraduate research assistants	2018-2021
Teaching Assistant— Ornithology (32 students)	2020
Teaching Assistant— Animal Behavior Lab (18 students)	2019
Teaching Assistant— Genetics (54 students)	2019
Guest Lecturer— Animal Behavior (EBIO 3240)	2018
Teaching Assistant— Animal Behavior Lab (32 students)	2018
Mentorship of two high school students through CU Science and Discovery	2018
Teaching Assistant— General Biology II Lab (54 students)	2018
Teaching Assistant— General Biology I Lab (54 students)	2017

PROFESSIONAL PRESENTATIONS (* indicates poster presentation)

American Ornithological Society	2021
Ecological Society of America	2020
American Society of Naturalists	2020
Boulder Chickadee Study Symposium	2019
NWT Site Review Poster Session	2019
Lehigh University invited talk	2018
American Ornithological Society*	2018
Guild of the Rocky Mountain Ecologists and Evolutionary Biologists	2018
Universidad de San Francisco de Quito	2017
Undergraduate Research Opportunities Program Symposium*	2015

SERVICE AND OUTREACH

Citizen Science coordinator for The Boulder Chickadee Study	2019-2021
Member of CU Boulder EBIO Colloquium Committee	2017-2021
Member of CU Boulder EBIO Diversity and Inclusion committee	2017-2021
Education outreach for students at Calwood environmental education camp	2020
Conference judge for the American Society of Naturalists	2020
Guest educator for <i>Nature Kids Lafayette</i> — CU Science Discovery	2019
Mentor and guest educator for <i>Research Experience for Community College Students</i>	2019
Member United Government of Graduate Students— CU Boulder	2017-2018
Volunteer at National Jewish Health— Denver CO	2016

SOCIETY MEMBERSHIPS

American Ornithological Society, Wilson Ornithological Society, American Society of Naturalists, American Genetics Association, Society for the Study of Evolution, Colorado Field Ornithologists, Denver Field Ornithologists, Western Field Ornithologists
