

## **THE BALLET PRODUCTION NUMBER**

Production numbers are large group dances usually based on a theme that are performed in all three recitals. This year all productions are themed around The Greatest Showman movie.

All dancers who are enrolled in a ballet or lyrical class are invited to perform in our ballet production number.

**Practices are on the following Saturdays from 8:00-9:30: March 2, 23, 30 and April 13**

**This routine will also practice at our dress rehearsal. On Thursday, May 2nd – there will be a practice from 5:30- 6:00pm at HOTVDA.** (This is dress rehearsal week – there are no regular classes this night.)

**Students who participate must be at the first practice. Dancers are allowed only one miss after that.** Because of the short time we have to learn the routine, attendance is IMPORTANT. If you are not able to make the first practice or you will miss more than one additional practice you are not able to participate.

There is a \$15.00 class fee due February 21st. Please return the bottom portion of this letter, with your \$15.00 class fee payment, to the studio. There will be a costume fee of \$35.00 per dancer. Costume payments will be due no later than Saturday, March 1st.

Thank you!

---

Name: \_\_\_\_\_ will participate in the Ballet production number.

\*I understand that there is a \$15.00 class fee as well as a costume fee of \$35.00.
