

FATHER- DAUGHTER OPENING PRODUCTION NUMBER

Back by popular demand!!

Production numbers are large group dances usually based on a theme that are performed in all three recitals. This year all productions are themed around The Greatest Showman movie.

We would like to invite all dancers to participate in our Father- Daughter production number. Practices are held on the following Saturdays:

Dads Only from 10:00-11:00 AM **Daughters Only 11:00-12:00:**

March 2 and 23

Dads and Daughters 11:00-12:30

March 30 and April 13

This routine will also practice at our dress rehearsal. On Thursday, May 2nd – there will be a practice from 6:30-7:00pm at HOTVDA. (This is dress rehearsal week – there are no regular classes this night.)

Dancers are welcome to invite any adult male to dance with them. Dancers can invite Dads, Uncles, Grandpas, even older brothers to participate. **Dancers who are unable to find an adult to dance with are still welcome to participate. Students who participate must be at the first practice. Dancers are allowed only one miss after that.** Dads will be given more flexibility in attendance but are asked to make as many practices as possible. Because of the short time we have to learn the routine, attendance is IMPORTANT. If you are not able to make the first practice or you will miss more than one additional practice you are not able to participate. There is a \$25.00 per family class fee due February 21st. Please return the bottom portion of this letter, with your \$25.00 class fee payment, to the studio. There is no costume fee for this number – dancers are asked to dress as their favorite circus performer using past dance costumes . "Dads" are asked to wear white dress shirt with black pants – black bow ties will be provided by HOTVDA.
