HOTVDA Competition Dance Team Family Directory

If you wish to be part of the Directory, please create an 8x11 **one-pager about your family and email to Carlyn Andrew at carlyn.andrew@outlook.com by August 1st. PDF preferred; Word files accepted. All of the pages will be combined into one PDF file for HOTVDA competition dance families to reference for personal use only.**

What to include:

- Dancer name(s) easy to spot at the top of the page.
- Photographs of dancer(s) and the adults who care for them AND/OR the whole family. Help us connect names and faces.
- Add contact information so other families and dancers know how to reach you.
- Add anything you would like that would help others get to know your family. Really, anything goes! Ideas could be:
 - Dancer age, school, interests, years on the team, etc.
 - Siblings and pets.
 - Hobbies, activities, interests, facts.
 - Parent employer/career.

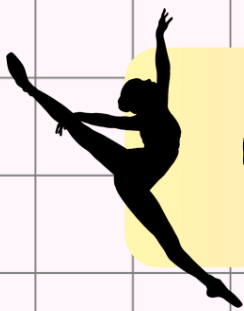

You can make this as simple or as detailed as you wish.

How?

Canva.com is a pretty user-friendly and free website to utilize. Search Flyers. When you're done creating, click the white "Share" button in the upper right corner, click "Download", select "PDF Standard" as the file type, then click the purple "Download" button. The file will download and can be attached and shared via email.

Or, Word or any other platform you prefer works too so long as the file type is .doc or PDF.

Don't let perfection get in the way of just getting one done and submitted. No one is judging your design work. It's just to help us get to know one another.

Dancers: Addy, Vivy, and Emmy

All of Us

Carlyn (mom), Jon (dad),
Addy (center), Vivy (left), Emmy (right)

About Us

- Our kids go to Kaukauna schools (RVMS, EQ, and Tanner).
- Carlyn is a Dance mom and HOTVDA Dance Teacher.
- When we're not at the studio (when is that?), you can find us at WDW, Little Silver Lake, or in a school gymnasium cheering on the girls on their school dance teams. Or, Ubering our girls around to other activities like tumbling, swim, and Eagle Council.
- Dance dad Jon and his backpack can be found audience center or left at competitions. Fair warning: He's a loud Whoo-er.
