Frequently Asked Questions about Home Care Services

Your Guide to Understanding SuBon Home Care

Introduction

Choosing a home care provider is a significant decision for any family. At SuBon Home Care, we aim to provide clarity and confidence by answering the most common questions about our services, caregiver qualifications, costs, and what to expect. This guide is designed to address your concerns and help you make an informed choice.

General Questions About Home Care Services

1. What is home care, and how does it differ from home health care?

Home care focuses on non-medical assistance, such as help with daily activities, meal preparation, and companionship.

Home health care involves medical services provided by licensed professionals, such as nursing care or physical therapy.

2. What types of services does SuBon Home Care offer?

We offer a wide range of personalized services, including:

- Personal care assistance (bathing, grooming, dressing etc).
 - Meal preparation and nutritional support.
 - Light housekeeping and laundry.
 - Medication reminders.
 - Transportation to appointments and errands.
 - Companionship and emotional support.
-

3. How do I know if my loved one needs home care?

Signs your loved one may benefit from home care include:

- Difficulty managing daily tasks like cooking or cleaning.
 - Increased isolation or loneliness.
 - Frequent forgetfulness, such as missing medications.
 - Safety concerns, such as falls or difficulty moving around the home.
-

About Our Caregivers

4. Are SuBon Home Care caregivers trained and certified?

Yes. All our caregivers undergo rigorous screening, training, and certification to meet industry standards. Training includes:

- Personal care techniques.
 - Emergency response and first aid.
 - Communication and compassion skills.
 - Dementia and Alzheimer's care.
-

5. Will my loved one have the same caregiver each visit?

We strive to provide consistency by assigning the same caregiver whenever possible. This helps build trust and a strong relationship between your loved one and their caregiver.

6. Are your caregivers insured and bonded?

Yes, all SuBon Home Care caregivers are fully insured and bonded, providing peace of mind and protection for our clients.

Costs and Payment

7. How much do home care services cost?

Costs vary based on the type and amount of care needed. We provide a customized care plan and transparent pricing during your initial consultation.

8. Does insurance cover home care services?

Some services may be covered by long-term care insurance or veterans' benefits. We can assist you in understanding your coverage and exploring payment options.

9. Are there any contracts or long-term commitments?

No. Our services are flexible, and you can adjust or cancel your care plan at any time with no penalties.

What to Expect

10. How does SuBon Home Care create a personalized care plan?

We begin with a free in-home consultation to assess your loved one's needs, preferences, and living environment. Based on this, we develop a care plan tailored to their specific requirements.

11. What should I expect during the first visit?

The first visit includes:

- A caregiver introduction.
 - Review of the care plan.
 - Clarification of schedules and responsibilities.
-

12. How do you handle emergencies?

Our caregivers are trained to respond to emergencies quickly and effectively. We also maintain 24/7 support to address urgent client needs.

Why Choose SuBon Home Care?

13. What sets SuBon Home Care apart from other providers?

At SuBon Home Care, we pride ourselves on:
