QR ART

BY

BUDDY PAUL

QR art brings the best resolution possible to your view with the smallest detail revealed. Although this book has hi quality printing it does not compare to the QR link that displays full scale effect of each piece of Artwork. The QR link allows you to zoom in and get a up close look at each brush stroke, display on large screen gives best effect.

These QR links not only display the best Hi resolution but offers a 20% rebate on any Giclee with certificate of authenticity. Each COA provided to buyer, that the art sold was created by BRPauL and contains his signature & free ship. Originals done with Oil, or Acrylic and some with Multimedia.

About author: Retired NASA engineer and Inventor of the Year for Lockheed Martin 2003. Published many Art books, Pollution Control Books (PCO), Other Books and Patents by Buddy Paul.
