After 70

Collection of art created after my 70th birthdate utilizing multimedia.

This book of high resolution and size of 8.5 x 11 make each page a print than can be cropped and hung in standard wall frames. So, I encourage getting 2 copies one for the coffee table and one to frame and hang your favorites. They will stand out if Black Cord backing is used the matting of choice. They will make a wonderful personal for friends and relatives.

Other art works at the web site "ArtbyBRPuaL.com" will have larger selections including originals on canvas. With today's technology electronic originals on canvas are created, log in as 1st original, 2nd original categorized and so forth.

If the artwork was done in Oil or Acrylic they are kept in storage. Only Digital electronic reproductions on canvas are sold and categorized. They will also have the 1st, 2nd, etcetera original decorations, and log.

Paper prints and printed literature not logged, recorded, or documented.

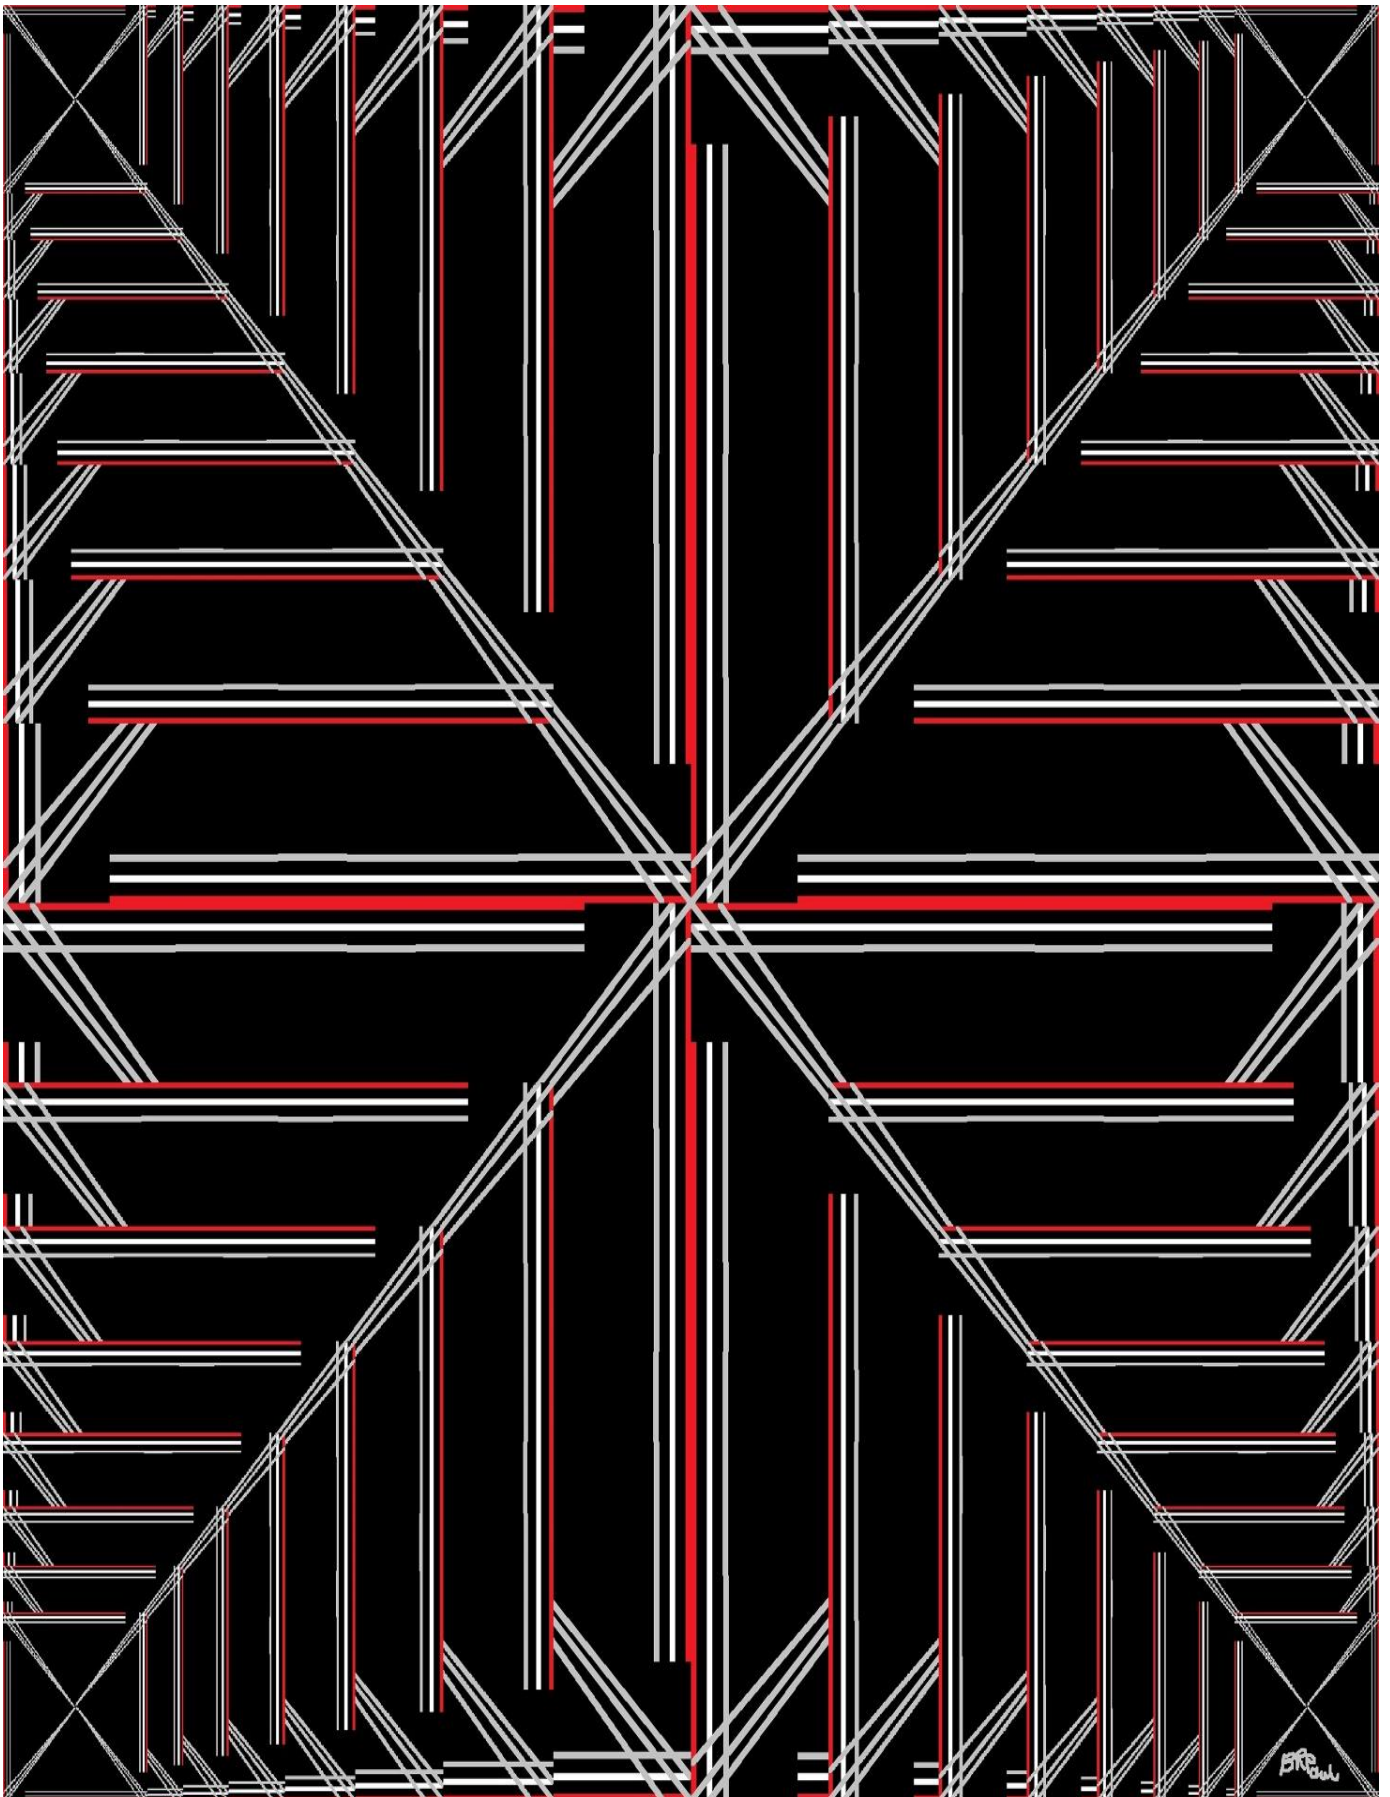

1st Original or the next available Original on canvas may be ordered directly from the artist at buddy364@gmail.com size: 8" to 84", thick 3/4" or 1 1/2", Rolled. Some items may be found online at eBay.com, or ArtbyBRPauL.com.

If you like these 8x11 prints on paper, you will love the originals on canvas ones.

Lockheed 2003 Inventor of the Year

Dale Bennett awards Buddy Paul with "Inventor of the Year."

Buddy R. Paul
For creation of innovative and cost effective design solutions to meet the ever-evolving and challenging the Theater high Altitude Area Defense canister design requirements. As a result of Buddy's efforts, several patents were filed, which included inventions such as the "Launcher Closure with Bearing Retainer and Pressure Pulse Operation" and "Passive Dynamically Disconnecting Arm." Buddy's timely innovations were key to the successful completion of the canister Preliminary Design Review.
