Hi LPP Staff,

I'm set to have a move out of June 20th per my lease. To confirm is this tomorrow or Thursday evening I need to be out fully?

Also, I'd like to schedule a walk through in person tomorrow or Thursday if possible to review if anything needs repaired, would incur a cost and to sign off in person. Would this be possible? If so, is there a good time that works?

Regards,

Andy Devney

Hello Andrew, you would have all day on the 20th to complete the move out process. I unfortunately do not have any openings in my schedule today to schedule a check out. Anything unscheduled gets put on my Calendar a 9am the next day. Would you be able to meet over there at 9am tomorrow when I ma there?
