

CALLED2SERVE CALHOUN & LIBERTY

The Calhoun & Liberty County Sheriff Offices and the local Called2Serve Ministry have partnered together to serve our community this summer.

Called2Serve Mission:

Called 2 Serve was born in 2014 with Altha First Baptist Church with a mission to serve, care for, and share God's love with the people right here in our own community. This ministry has expanded to include many local churches over the years including Poplar Head Baptist, Altha Methodist, Altha Church of God, Blountstown Methodist, Blountstown Baptist, Bristol First Baptist, and Lake Mystic Baptist. We are excited to see even more churches coming on board this year and hope to expand that partnership even further.

What we do:

During this week we seek to serve those in our community who just need an extra hand or Godly love to help them live safely or to make things a little easier in their lives so that they can enjoy being in and around their home. All work is done by volunteer groups of adults and supervised youth. Projects that we have done in the past include landscaping/yard work, roofs, building wheelchair ramps, porches, replacing flooring, pressure washing, etc...

When would the work be done:

All selected work will be completed during June 7th -13th, 2025.

How can individuals apply for help:

If you are in need or know of someone who is need of this type of love they can feel out an application by scanning the QR code below or by going to the listed website. This application is not a contract guaranteeing that we will do the work. This application is an assurance that we will have someone to come out and assess the work needed to determine whether we will be able to assist with the requested project.
