All travelers 12 years of age and older (by air, land, or water) must get a COVID-19 test done within 72 hours of traveling into Unalakleet and provide proof of a negative result. Upon Arrival into Unalakleet travelers will go directly and immediately into quarantine. If you are quarantining in a household with multiple people, the entire household is required to quarantine. Failure to follow through on quarantine requirements will result in a municipal infraction.

Quarantine lasts for 14 days. You may test out of quarantine with 2 negative COVID test results. The 1<sup>st</sup> test must be taken within 72 hours of arrival and the 2<sup>nd</sup> test must be taken 7 days after arrival into Unalakleet. Please keep in mind that the clinic in Unalakleet MAY or MAY NOT have rapid tests available so be prepared to do a full 14 days of quarantine.

No Quarantine option: Travelers who have received their 2<sup>nd</sup> dose of the COVID vaccine and it has been 2 weeks after; that household will not need to Quarantine. Testing is still required within 72 hours of arrival and again seven days after arriving. If there are travelers who have not received the COVID vaccine the household must Quarantine with the 7- day or 14-day option.
