To Whom it may Concern:

The Recreation Department at Haro Park Centre were very pleased with the amazing music that the Legato Trio played for us on New Year's Eve. This trio is very professional and accomplished musicians.

Their music choices were very appropriate for New Year's Eve; lively with a party feeling and the residents really enjoyed their choice of music.

We are looking forward to the next time we have the Legato Trio back at Haro Park.

Sincerely

Haro Park Recreation Department
