About Jose

Jose Pereira is a distinguished author, executive coach, and international speaker, known for his work with C-suite executives and business leaders. His memoir, *From Hero to Villain: My True Story of the Citgo6*, chronicles his survival of nearly five years of wrongful imprisonment, an experience that has shaped his deep understanding of resilience and leadership. Through his *Unbreakable Leadership* coaching program, Jose empowers senior leaders to align their values with professional success and lead with purpose. A man of deep faith, he integrates his spiritual strength into his teachings, inspiring others to thrive even in adversity. Jose's inspirational messaging has earned him a strong social media following, where he continues to engage and uplift his audience with impactful content.
