BEER ON TAP

The list of our beers currently on tap. Check back frequently as this list changes often.

Beer on Tap

1. Black Lager

Schwarzbier • 5% ABV • 29 IBU

Dark and forboding but light and very drinkable, an education in the chocolate/coffee/toasted malts for those who avoid darker beers

2. Hoppy Hare (Local)

American Pale Ale • 5.6% ABV • 33 IBU

Hoppy Hare is named after the friendly bunnies hopping around our brewery, always eager to say hello and ask for some food. This is a hop forward beer bringing fruity flavours of mainly citrus and melon, which is then followed by a clean and bitter finish.

3. Vienna Lager

Lager - Vienna • 5% ABV • 23 IBU

This slightly malty, darker lager is made with mostly Vienna, Pilsner and Munich malt. Bready, biscuit and nutty flavours lead the charge with noble hops helping balance the beer. A long lagering schedule is used to create a clean, crisp beer with a slightly more malty flavour profile than most other lagers. Available in 473ml Cans.

4. Winter Spice Ale

Ale • 6.3% ABV • 22 IBU

This winter ale was crafted using carefully selected specialty malts and Alberta hops. The malt brings notes of caramel and toffee which is balanced by the spices and syrup. It was Spiced with cinnamon at multiple steps of the brewing process and blended with maple syrup to provide a sweet and flavorful finish.

64oz Growler 720 CAL \$

5. Pilsner

Pilsner • 5% ABV • 37 IBU

This is not your traditional Pilsner but it's pretty darn close. Using 100% German Pilsner malt plus a soft water profile creates a clean, easy drinking beer, but we weren't done there. Instead of using traditional noble hops that are synonymous with this style we decided to experiment. Using a hop from New Zealand lends us the typical noble hop character plus additional "fruity" tones such as lemon and lime.

6. Red Ale

North American style Red Ale • 5% ABV • 25 IBU

Hop forward features a hefty measure of El Dorado and Enigma which provide tropical, stone fruit and even cherry, red berry and candy character. The chewy malt bill provides a counter-point adding some complexity but maintaining a crisp finish.

7. Foeder Aged Saison

Farmhouse Ale - Saison • 6.2% ABV • 2 IBU

This saison sour brings a deceptive aroma of oak and saison spice which is followed up on the palate by an oaky, buttery foretaste reminiscent of a chardonnay. This is followed up by a fruity tartness that brings forth memories of our favourite granny smith (apple). Once she has moved on your are left with smokey memories to remember this beer by.

8. Brown Ale

American Brown Ale • 5.4% ABV • 25 IBU

Brewed using eight carefully selected malt varieties and locally sourced hops, this brown ale crafted in Calgary AB holds the perfect balance of malty flavour and a smooth finish.

10. Beary Patch

Vodka Soda • 5.1% ABV

This fruity concoction of Blackerry and Lemon is very refreshing.

11. 5 Hundie

IPA - New England • 6.5% ABV • 50 IBU

Creamy and medium-bodied, 5 Hundie Hazy IPA has notes of peach and cotton candy on the nose followed by suggestions of mango and papaya on the palate.

12. Sprinkbank WAP Ale

Pale Ale - American • 6% ABV • 35 IBU

This WAP (Wet Ass Pale) was created through the efforts of one of our brewers, Tim, who personally picked the only finest hops straight off the vine for this delicious pale ale. Rising to the challenge, our Head Brewer, Lane skillfully created this pale ale using only the wettest hops available. This gives it some grassy flavours from the fresh hops, but still allows it to be easy drinking, slightly malty and subtly hoppy for an easy going wet ass pale ale experience.

13. Dry Hopped Cider

Cider - Herbed • 6.8% ABV

Dry hopped with Citra and Mosaic hops.
