

CERT BASIC TRAINING COURSE

Online CERT Training

- Access it on your mobile device or computer.
- Complete it at your own pace and convenience.
- Course progress is saved and can be resumed later.
- Online Course Time = 16 hours

2-Day In-Person, Practical Training = 16 hours

The next in-person, practical portion of the training is scheduled for Saturday, January 28, 2023 and Sunday, January 29, 2023 from 8:00 am to 4:30 pm (both days) in Hilo (venue TBD). Seating will be limited. You can start the online portion of the course as soon as you sign up and have received the course link.

Must complete both online and 2-Day practical training to be certified as a CERT, but you may take the online course by itself simply for the knowledge and skills needed to care for your family, friends and neighbors in a disaster.

CERT Training provides you with knowledge and skills to prepare for and properly respond to an emergency impacting yourself, your family, and/or your community.

When disaster strikes your area, will you know what to do?

Basic CERT Training teaches you basic disaster response skills so you can safely help yourself and those around you when disaster strikes and when professional responders aren't available. Learn how to protect yourself, your loved ones and your community.

What You Learn

- Unit 1: Disaster Preparedness
- Unit 2: CERT Organization
- Unit 3-4: Disaster Medical Operations
- Unit 5: Disaster Psychology
- Unit 6: Fire Safety and Utility Controls
- Unit 7: Light Search and Rescue Operations
- Unit 8: Terrorism and Hazardous Materials Safety
- Unit 9: Course Review and Disaster Simulation

CLASSES ARE FREE
