

GOT A JUNK OR DERELICT VEHICLE YOU NEED TO GET RID OF?

OHCD encourages its housing voucher program participants and partner landlords to take advantage of a new County of Hawai'i program that allows residents to remove free-of-charge up to two junked or abandoned vehicles from private property.

For more information, program requirements and an application, visit www.hawaiizerowaste.org/recycle/automotive/ or contact the Department of Environmental Management's Derelict/Abandoned Vehicle Section by calling (808) 961-8552 or via email to VDAP@hawaiicounty.gov
