Discussion:	
Presidents Report: Happy to see the community come together.	
Treasurers Report: Our members were 73% compliance by the end of July.	
General Report: Hurricane Lala came and caused havoc August 15 th through August 16 th . In HOVE there were tons of down trees, fallen stop and street signs all over and utility lines, people stuck in their homes, no electric for up to 2 weeks (depending on the location), no internet service, no open grocery stores or gas stations. Most people felt disconnected with no source of communication. Neighboring towns had very bad mud slides which caused a lot of damage. All equipment is up and running. Crew is clearing trees and replacing signage. There are many signs and poles being stolen. We have found and hired an electrician to get our air conditioning up and running. The audit is still ongoing but the end is near.	
Adjournment: Meeting was adjourned at 11:00 am by J. Klahr.	
Next BOD Meeting will be Tuesday Sept 22, 2026 @ 10:00 am
