

Utica-Shelby Rebels Football and Cheer Club is a youth sports club offering children ages 7-12 in the Utica and Shelby Township area, a chance to learn how to play and love the sports of football and cheer. We believe that each and every child has untapped potential and we are on a mission to release it.

We believe that on the field and mat, our athletes learn valuable core lessons in life. Lessons on winning, sportsmanship, loss, respect, hard work and responsibility, on brotherhood, sisterhood and loyalty. Most importantly, they learn a love for the game. We believe in pushing out athletes so that every one of them can reach their truest potential and walk away from every single season proud of their accomplishments, with memories and friendships that will last a lifetime.

In addition to your financial support, we are always looking for volunteers to be part of our Board or to help coach our young Rebels.
