

PARENT INVOLVEMENT

Parent Volunteer Policy

All parent(s) and/or guardian(s) of one or more Rebels athletes are required to volunteer in order to have a successful season.

Volunteer Requirements:

1. For the 2026 Regular season you must volunteer in assignments that are designated by the Shelby-Shelby Rebels board.
2. The number of volunteer assignments needed to be completed by each family will be determined on the amount of families registered for the 2026 season versus the amount of positions needed throughout the year. Some of these positions may be field set up, field clean up, chain crew, clock operator, announcer, concessions, etc.
3. There are several spots that can be filled that may require more or perhaps less time but are deemed necessary to the daily function of the club. Those spots are designated by the board. For example: Coaching, Team Parent, Game Spotter, Game Film and any other position selected by the Board.
4. All spots must be completed by an adult representative of the family.
5. Play-off season, Championship game and Mega Cheer events could be hosted by the Shelby Rebels during any year. This will require additional volunteer spots. Each family will be responsible for a volunteer spot during these events.
6. Families who do not wish to volunteer during the regular season can OPT OUT of their positions and responsibility by paying the club the sum of \$250. *Note: This will not eliminate any family however of volunteering during a post season, playoff, Championship or Mega Cheer event should the need arise.*
7. All volunteers must be to their position at least 15 minutes prior to the event time to prepare for their position. ***If you cannot make your assigned position(s), it is your responsibility to find a substitute and notify the Shelby Rebels volunteer director prior to the event.*** Failure to meet any of your volunteer commitments will result in payment of \$250.00 to the Shelby Rebels.
8. **At uniform fittings, all families must turn in a post-dated check in the amount of \$250.00, dated November 14, 2026. This check is required as a commitment to fulfilling your volunteer obligation. If the required volunteer hours are not met by that date, the check will be cashed. *If you have met the required hours, the check will be destroyed.***
