

WEEK 1

MENU

IMPORTANT INFORMATION:

The content of this document is a guide. On occasions menus, ingredients and products may have to be substituted.

Nut-Free Kitchens: Yes Chef do not use any nuts in our menus, or keep nuts in our kitchens. However, we cannot guarantee that the ingredients we get from our suppliers are made in nut-free factories.

Other Allergies: The kitchen areas are carefully cleaned where we prepare allergen meals and we keep all allergy-causing foods separately. However, tiny bits of food can sometimes spread in the kitchen air or through shared equipment. This is called "cross-contamination" and "airborne allergens." While we do everything we can to minimise this risk, we cannot completely eliminate it and therefore we cannot accept responsibility for airborne allergens.

Yes Chef Catering cannot be held responsible for your child sitting next to another person with a meal that is not allergen free.

We also cannot be responsible if your child eats from another child's plate or is given food from someone who does not work for Yes Chef Catering.
