

# \$1,500 BONUS

## EMERGENCY HOUSING VOUCHERS

If you are an owner, landlord, or property management company interested in renting to an Emergency Housing Voucher holder, please contact Desiree Baptist at [dgb@csha.us](mailto:dgb@csha.us) or (719) 387-6714.

Participating landlords are eligible to receive a one-time \$1,500 payment upon successful move in of the Emergency Housing Voucher holder.

To receive payment, the Colorado Springs Housing Authority (CSHA) will require receipt of an executed lease and Housing Assistance Payment Contract. Lease must have at least a 12-month period on behalf of the Emergency Housing Voucher holder to be eligible for the incentive payment.

The Emergency Housing Voucher will assist low-income families, veterans, the elderly, and people with disabilities to afford decent, safe, and sanitary housing in the private market.

Note: the Emergency Housing Voucher landlord incentive program amounts may be increased, decreased, or discontinued upon exhaustion of available funding.
