## High Country Home Watch Services can help

We work with absentee and vacation property owners in Northern Arizona's high country, providing:

- Weekly/bi-monthly home watch monitoring and home care
- House/property inspection services with status reports
- Detailed reports w/photo documentation after any incident occurs at the property
- Maintenance, repair recommendations, and facilitation with local vendors
- Problem identification (leaks, dangerous trees, impending structural damage, etc.)
- Problem resolution management (mitigate damage, cleanup, repairs)
- Peace of mind, knowing we are local and available to assist any time you're away
