### Operating your Dansette Light-Box

Operation of your light-box could not be simpler. Just plug the lead from the plug-top power supply into the Music IR Controller on the rear of the light-box as shown below.

Operate the light-box by using the Infrared remote control. All of the buttons are clearly labelled and self-explanatory, so just play away, experiment and enjoy!

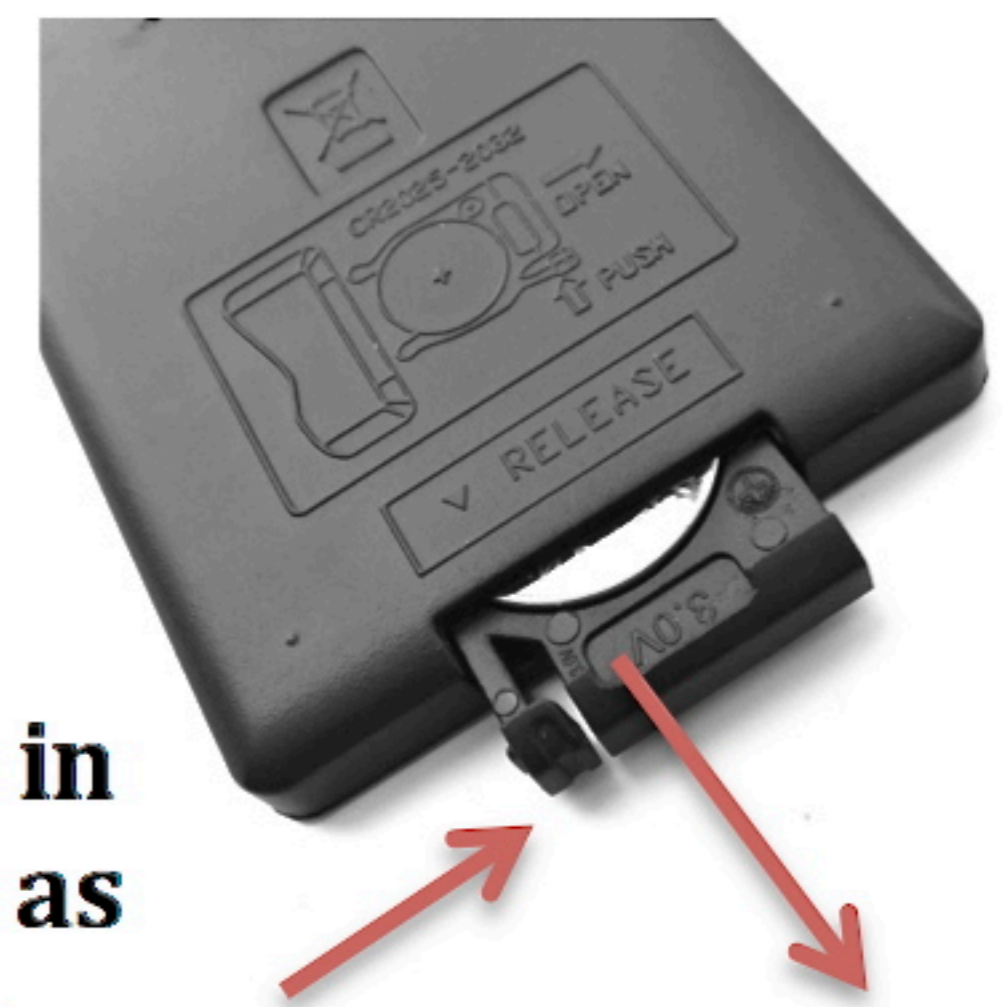

The Infrared remote control sensor (see diagram below) will need to be visible to the remote control to work effectively.

### Power Connection

### Infrared Sensor

### Remote Control Battery Replacement (CR2025 - 2032)

### Warranty Information

This product is warrantied for 12 months from the date of purchase on a return to Tutti Audio basis.

The warranty does not include postage charges or damage/faults attributed to misuse.

Please contact Tutti Audio if you have any issues. Sail Loft, Point Green, Devoran, Truro, Cornwall, TR3 6NH. 01872 864922 or 07583 113531 [info@tuttiaudio.co.uk](mailto:info@tuttiaudio.co.uk) [www.tuttiaudio.co.uk](http://www.tuttiaudio.co.uk)

### Important Safety Information
