

# Free Public Workshop

Thursday, May 30<sup>th</sup>, 2024, 5-8 pm

Nicolet College, Northwoods Center, Room 207

Hosted by the **Wisconsin Headwaters Invasives Partnership**

## Join us to learn about invasive species in the Northwoods!

**Come and discover:**

- Which plants to avoid during hiking, camping, or hunting
- Invasive species projects in your Town or neighborhood
- How to better control invasive plants on your forest land
- Tips on cost-sharing programs:
  - ⇒ NRCS Environmental Quality Incentive Program
  - ⇒ DNR Private Forest Landowner Grant Program

Refreshments will be served to start. We encourage you to bring your own reusable cup!

Wisconsin Headwaters Invasives Partnership (WHIP) offers invasive species education and control in Oneida, Vilas, and Lincoln Counties.
