TEACH OVER THE RAINBOW

SOLDIER TURNED TEACHER TURNED BUSINESS OWNER

I am a soldier turned, teacher, turned business owner. I have been the proud owner of Teach Over the Rainbow, LLC since 2018.

I take great pride in offering quality handmade products. My dedication to quality and detail keeps my customers happy and brings them back to my website as repeat shoppers. I specialize in custom laser engraving, acrylic signs, direct to film apparel production, sublimation, epoxy products, 3d printing.

I offer high-quality informative content to my followers and subscribers. I take great pride in working with my partners and affiliates to create brand focused content that will drive traffic to their social media platforms and sales to their websites.
