

# CHECKERED PIG

BBQ & RIBS

It was an accidental success - 30 years ago, as a firefighter, Tommy volunteered to roast a pig for a firehouse event. Everyone raved, and Tommy was hooked! He built his own pit and began perfecting his craft. Our Martinsville restaurant opened in 1997, and Danville opened in 2009. You don't have to take our word for it, we've won more than 250 awards nationwide! Thank you for joining us, we're happy to serve you!

## OUR MEATS

### CHOPPED PORK BBQ

Tommy's slow pit cooked pork starts with hams (not butts) for a leaner, better quality BBQ. We smoke them low and slow overnight for tender, juicy BBQ.

### ROASTED SLICED PORK

We season and slow roast select cuts of pork to perfection in our pits then sliced for a delicious meal.

### ST. LOUIS STYLE BBQ RIBS

Our ribs have been winning awards for almost two decades, including the Best In The West Rib Cookoff. They're rubbed with our racing dust, smoked in our pit, finished on the grill with our own famous BBQ sauce. Tender, juicy, flavorful, first place St. Louis style RIBS!

### SMOKED CHICKEN

We dust our chicken with our own racing dust and smoke it slowly so it stays juicy and tender, then we drizzle it lightly with our award-winning BBQ sauce.

### BEEF BRISKET

Award-winning and popular with our brisket lovers. We season it with rub and smoke it low and slow to tender perfection. We serve it hot with our grilling sauce.

### CHOPPED CHICKEN BBQ

We chop our seasoned smoked chicken and mix it with our award winning BBQ sauce. Delicious topped on a salad, stuffed in a bun, or as the highlight of a dinner meal.
