

OUR COMMITMENT TO HEALTH & SAFETY

Health and Safety must never be compromised. Your health, safety and well being is our #1 priority – more important than production, profits and serving the customer. Everyone has the absolute right and obligation to question, stop and correct any unsafe act or condition. We will achieve an accident-free environment through a health and safety culture built on:

- **Trust** We respect and trust each other's opinions and decisions and follow through on all health and safety concerns.
- **Care** We approach each day with the determination to care for ourselves, co-workers, contractors, and the communities we serve.
- **Knowledge** We have the knowledge and skills to be healthy and safe
- **Communication** We communicate in a clear, open and honest manner.
