

Mr. Moomau,
you will find en-
closed the letterhead I
have found among my
late father's effects ^{and}
which I thought might
be of some interest to
visitors out there to
the museum.

My father was
Bennett R. Wilford, a
young merchant in
King Mountain at

time of Centennial
celebration.

Some one in your
office told me you
would be glad to
have it.

Luna W. Thomson
