To Whom it May Concern:

I am writing this respectfully in regards to my experience with Canadian Flat Roof Systems. They were a great pleasure to deal with, knowledgeable, responded quickly to our issues, their crew is clean cut and respectful. Canadian Flat Roof Systems, replaced 60,000 square feet of flat roof and in doing so solved water issues that no other company could resolve.

I highly recommend Canadian Flat Roof Systems. If you have any questions, please feel free to contact me.

Sincerely,

Robert King,
President.
