1

### CLUB ACCOUNT

When Honest Game works with Clubs, we make set up easy.

We set up the Club's account and create Admin log ins.

The Club Admin uploads the roster of student - athletes to enroll in Honest Game.

2

### STUDENT - ATHLETE WELCOME

Student - Athletes and their parents and/or guardians receive a Honest Game welcome email with instructions to log into their account.

Once the student - athletes College Athletic Report on Eligibility is ready, families can review eligibility status and progress.

3

### STUDENT - ATHLETE TRANSCRIPT UPLOAD

Student - Athletes and their parents and/or guardians upload their school transcripts in Honest Game's secure portal.

Data Privacy: Honest Game complies with all state and federal data privacy laws regarding retention, use and destruction of student data.

### COLLEGE ATHLETIC REPORT on ELIGIBILITY

Honest Game's technology transforms high school academic data into a college athletic compliance ready report, a CARE™ plan for student - athletes.

A CARE™ is the College Athletic Report on Eligibility.

The CARE™ informs student - athletes of their NCAA and NAIA academic eligibility status and advises on goal setting, course selection and credit recovery.

The CARE™ gives high school students, parents, counselors and college coaches a clear path to academic eligibility.
