With the cancellation of the 2020 DOF MCL Convention, all members should have been advised by their respective Detachments about the cancellation, as well as advised **they must cancel their own Guestroom Reservation** and were provided with phone numbers to so. [see email below]

Today, I have been advised by Hilton Melbourne Rialto Place that some guestroom reservations have not yet been cancelled. Please call the number[s] indicated in the original notification or if you are a Hilton Hhonor member, log-in and cancel your reservation for June 2020

Does anyone know Michael Russell?? I believe he is a member of Detachment 1086, but I don't have any contact information/email address for him.
He still has a reservation and he needs to contact the Hotel and cancel asap.

Thank You
