

From: MCL National Commandant <NationalCommandant@MCLeague.org>

Subject: Convention

Please pass this info to your Detachments ASAP.

As of today, the convention is officially cancelled. They were notified this morning via a phone call as per our attorneys. I apologize for any confusion today, we were not expecting the hotel to immediately start sending out refunds. I hope to see some of you in the next few months if not at mid-winter. Please have a safe summer
