## Welcome to Falls View Tavern's Trivia Night #252 Wednesday, March 4th @ 7pm

- Welcome to season Six of our own "in-house" created Trivia that, unless you count the tent, has never actually been played indoors. Tonight, your host is Bill.
- A team can be formed with as few as one person. There is no upper limit (yet) and team members may "drift" on & off the team (Someone coming out for a smoke, cook, bartender, random stranger, etc.).
- Each round has five questions, there are nine rounds for a total of forty-five questions.
- The last question in the first eight rounds is worth two points. That question is linked to the clues below. The clues are researchable (by phone) as long as phone use and research are conducted **before** we start. New teams in which none of the players have played here before will receive full points for these questions tonight even if they answer them wrong. (All team members must be first-time-players to qualify.)
- The rest of the questions are worth one point each unless otherwise stated.
- The questions come five at a time per round.
- Once the fifth question of the round is asked, Bill will wander around to collect answer slips as they are completed.
- **Make sure that you put your team is name at the top of each answer slip.**

### Game Rules

- ✓ **Free to play.**
- ✓ **No phone (ipad, laptop, phone-a-friend etc.) research after the game begins.** If we allowed this, it would just end in a tie. We'll trust you on the "I'm just texting", unless you win of course.
- ✓ **No shouting out the answers**, whether you are playing or not. Again, why help everybody? Caution: *Regulars have been known to turn on these folks.*
- ✓ Have fun.

Starts @7:00pm

### Game Prizes Based on Participation

- ❖ *1<sup>st</sup> Place = \$30 FV Coins, 2<sup>nd</sup> Place = \$20 FV Coins, 3<sup>rd</sup> Place = \$10 FV Coins. But conditions apply so keep reading! Prizes are awarded in Falls View coins, redeemable only at the Falls View.*
- ❖ As long as there are enough players, all prizes will be awarded.

**Round Categories & Clues:** *These are clues to the last question in the first eight rounds and will NOT be multiple choice. (Just type the clue into your phone/internet before we start the game). You can take notes on this paper, the back is blank.*
