

Welcome to Falls View Trivia Night

Wednesday, December 1st, 2021 @ 7pm

- ✚ Tonight, your host is Bill.
- ✚ A team can be formed with as few as one person.
- ✚ Your team should have: (1) A stack of answer slips sequentially numbered 1 to 46, (2) a pen, and (3) this piece of paper.
- ✚ Each round has five questions except for the last which has one extra question (#46) worth five points. Space for the answer is on the back of the last answer slip.
- ✚ The first question in each round is worth two points. That question is linked to the clues below. Some of the clues are researchable (by phone) as long as phone use and research is *before* we start.
- ✚ The rest of the questions are worth one point each.
- ✚ The questions come in groups of five at a time. Take notes if you like (the back of this paper is still blank). After the fifth question of each round, requests will be taken for question repeats or the host will just repeat them all, sometimes both.
- ✚ Once your team has filled in as many answers as they can for the round, one team member needs to bring the completed slip to the monster at the host's table. This is the time to make a run for the bathroom!
- ✚ Occasionally, you may recognize a question from a previous week. This is not a mistake, this is to thank our returning players, and make less work for your host. Usually, they will be questions that no one got right.
- ✚ **Make sure that you put your team's name at the top of each answer slip.**

Please understand that on Trivia Night, a lot of folks do things at the same time, (i.e. Ordering drinks at the end of happy hour, ordering food at the beginning of Trivia, cashing-out at the end of Trivia, etc.) Please be patient with bartenders and cook during these times.

Game Rules
