

Welcome to Falls View Tavern's Trivia Night

Wednesday, September 28th, 2022 @ 7pm

- + Tonight, as usual (*ho-hum*) your host is Bill.
- + A team can be formed with as few as one person. There is no upper limit and team members may "drift" on & off of the team.
- + Your team should have: (1) A stack of answer slips sequentially numbered 1 to 50, (2) a pen, and (3) this piece of paper.
- + Each round has five questions, there are ten rounds for a total of fifty questions.
- + The first question in each round is worth two points. That question is linked to the to the clues below. Some of the clues are researchable (by phone) as long as phone use and research are conducted **before** we start.
- + The rest of the questions are worth one point each unless otherwise stated.
- + On the back of this sheet is all of the *multiple-choice* answers, mixed in with some non-answers of course. They are organized into groups that pertain to a certain question and each group is only used once. The groups, as you may have noticed, are not numbered or linked to any particular question so it is up to you to pick your answer from the correct group.
- + The questions come in groups of five at a time. After the fifth question of each round, requests will be taken for question repeats or the host will just repeat them all, sometimes both.
- + **Attention Rookies: The questions are always initially asked twice, so there is no need to ask for a repeat immediately after the first asking.**
- + Once your team has filled in as many answers as they can for the round, one team member needs to bring the completed slip to the host's table, feel free to use the 'no contact' monster bucket. [PSST...this is the time to make a run for the bathroom!]
- + **Make sure that you put your team is name at the top of each answer slip.**

Please understand that on Trivia Night, a lot of folks do things at the same time, (i.e. Ordering drinks at the end of happy hour, ordering food at the beginning of Trivia, cashing-out at the end of Trivia, etc.) Please be especially patient with bartenders and cook during these times.

Game Rules

- + **No phone (ipad, laptop, etc.) research after the game begins.** If we allowed this, it would just end in a tie. We'll trust you on the "I'm just texting", unless you win of course.
- + **No shouting out the answers**, whether you are playing or not. Again, why help everybody? Caution: Regulars have been known to turn on these folks.
