Additional Announcements 10/13/19

REMIND JOIN – REQUIRED TO JOIN FOR ALL BAND MEMBERS!

Remind (previously remind 101) has put a limit to the number of people that can join a class. With this new problem, we have created two different reminds to send out last minute and emergency messages to the program. Please join the following groups if these apply to you (required for students, optional for parents):

Please text the following message to 81010

Winds/Color Guard - @macband192

Percussion/ALL PARENTS - @evansber

BAND AND BPA FEES – PUT IN THE BLUE BOX OR PAY ONLINE!

Please see the email sent the week of September 1 in regards to information about online payments. There are instructions and answers to FAQs available on our band website in the student resources section in both English and Spanish for your convenience. Trip payments may also be submitted online.

Band and BPA fees that are still owed are able to be put in the “Blue Box” that is currently located in Mr. Berry’s office. There are envelopes to label student name, purpose of money (band fees, BPA, trip, etc...), and an open slot to safely deposit. Now that we are in the regular routine of school, checks will be deposited a minimum of one time a week with the school, and certainly more if called for it. This will be the place to deposit money in the coming weeks for fees, optional show shirt orders, and anything else that has to do with the program.

2019 SHOW SHIRT ORDERS ONLINE

The first item is officially available on our online Mac Band Gear store! You can order your 2019 show shirts by going to “Shop!” under “More” on the Mac Band website. You can also visit the site directly at macbandsa.motioninink.com

2019 FALL SCHEDULE ONLINE!

Please note that the entire schedule for the summer and fall marching seasons has been posted online to the best of our knowledge. All rehearsals, days off of school, and clinics have been included. Please use this for planning testing dates, vacations, trips, and any other potential conflicts for that part of the year.

NO CASH IN THE BLUE BOX!!

We (I) have not done a good job of enforcing our “no cash” policy for any payments going to the blue box, but it is extremely important based on our recent events that all payments be check or money order. Although more inconvenient, we have to ensure that your payments are safe, and the people handling money are safe as well. Again, please make sure all payments are made by check or money order. Thank you
