

# Sponsor & Partnership Opportunities

## Show Me What You Got Talent Search & Fashion Show

**Presented by:** Uniting Society Again Management

We're thrilled to offer businesses an opportunity to support and uplift local creative talent. Below are your ways to get involved:

---

### 1. Sponsorship (Brand Support Only — No ROI)

As a **Sponsor**, your contribution fuels the success of our showcase, and in return, we offer strategic visibility and community alignment. Note: **Sponsors are not entitled to financial returns**—instead, your brand receives value through promotion and goodwill, akin to a qualified sponsorship.

#### Sponsor Levels & Benefits:

Tier	Contribution	Perks
<b>Platinum Sponsor</b>	\$2,500	Logo on event materials, website, social media; featured thank-you; VIP Lounge access (8 tickets)
<b>Gold Sponsor</b>	\$1,500	Logo on select materials and social posts; VIP access (4 tickets)
<b>Silver Sponsor</b>	\$1,000	Website/logo inclusion; VIP access (2 tickets)
<b>Community Supporter</b>	\$500	Logo in digital program; VIP ticket (1 ticket)

#### What Sponsors Receive:

- Recognition across brochures, posters, social media, and live mentions.
  - Enhanced visibility within our engaged audience.
  - Positioning as a supporter of local arts and youth development.
- 

### 2. Investment Opportunity (Profit-Based ROI)

For investors seeking a financial return, we offer an alternative model:

- **Example: \$1,000 Investment (10% of event budget)**
  - You receive your \$1,000 investment back plus **10% of net profits**.
  - If profit is \$5,000, you earn an additional \$500—for a **total return of \$1,500** (50% on your investment).

This model suits partners genuinely seeking financial participation in event outcomes rather than marketing presence.

---

### 3. Ticket Sales Partner Program

Looking for a flexible, commission-based opportunity? Join as a **Ticket Sales Partner**:

- Sell event tickets—keep **50%** of your total sales.
  - Example: Sell 50 tickets at \$25 each = \$1,250 → You earn **\$625**.

You also enjoy the marketing support and event exposure of a Sponsor, making this a strong partnership option for community influencers and group organizers.
