

GUILD NINES

AMERICAN MADE

2014 CATALOGUE

THERE'S NO SUCH THING AS A PERFECT 10- BUT THAT DOESN'T MEAN WE STOP TRYING.

At Guild Nines, we engineer and design furniture 'To the Nines'-
the way you would if you could- handmade by skilled professionals
with the best materials, finishes, and processes.

LUXURIOUS, MODERN, GENUINE.

We have developed relationships with the most skilled talents to fabricate and design furniture that is luxurious, modern, and genuine.

Guild Nines is proud to be Made in the USA- most materials and parts are sourced no more than a few miles from our shop in Grand Rapids, Michigan.

We are passionate about our work, and are excited to share it with you- overdelivering on your expectations in American-made, guild quality and design.

Diabox credenza

Our Diabox credenza is crafted in solid American black walnut with a hand-welded, solid steel base and custom-turned ring pull hardware. The side panels are ultra luxe- solid walnut that's 1-1/4 inches thick. Available with natural steel base and stainless steel ring pulls (silver finish) or solid brass ring pulls and brass plated solid steel base.

Durable, high grade commercial quality lacquer finish. Integrated cable routing features and flow-through back ventilation; soft close doors; four leveling feet. Three adjustable shelves. Made in USA.

DIMENSIONS: 5 ft 8.5" W x 20" D x 24.75" H

Semibox credenza

Our Semibox credenza has a sleek, low profile. A select, solid American black walnut case floats on a polished natural steel base with leveling feet. Thick, solid stainless steel pulls are submerged into $\frac{3}{4}$ " solid walnut sliding doors that move smoothly on bearings. Durable, high grade commercial lacquer finish. Doors slide smoothly on roller bearing wheel guides. Cable routing and back flow-through ventilation. Three adjustable shelves- two large and one small. Luxurious, modern, and genuine. Made in USA.

DIMENSIONS: 67.5" W x 20" D x 21" H

Rift bench

The Rift is a classic slat bench in premium materials. With its architectural silhouette, it defines space in a simple, beautiful, and functional way. Solid American black walnut slats form the surface, with legs in solid steel. Sit, store, display, or build upon- Rift interacts with space in a complimentary way.

Custom lengths up to 12 feet are available with one or more center legs. Made in USA.

WALNUT & BLACK (solid blackened steel)

LENGTH 3 ft (minibench) **DEPTH** 16" **HEIGHTS** 15" or 18"

WALNUT & SILVER (solid stainless steel)

LENGTHS 4 ft & 5 ft **DEPTH** 20" **HEIGHT** 15"

Split bench

Walnut lovers, this is your bench. Luxe, wide planks of solid American black walnut form two different designs in one bench. The slatted surface can be configured to be either symmetrical or asymmetrical. Sturdy, hand-formed steel legs are in solid blackened steel. Available in lengths from Mini up to 6 feet. Made in USA.

LENGTHS 3 ft, 4 ft, 5 ft, & 6 ft

DEPTH 16"

HEIGHTS 15" & 18"

Bench cushion

Add comfort and texture with our bench cushion, which features a sturdy masonite platform and velcro fasteners to prevent sliding or twisting. Available in our own light grey ultra fine weave hopsack, Customer's Own Material (C.O.M.) or Customer's Own Leather (C.O.L.) Not intended for outdoor use. Made in USA.

FOR 16" BENCH DEPTHS: 17" W x 16" D x 1" H

FOR 20" BENCH DEPTHS: 20" W x 20" D x 1" H

Radha lighting

Four panels of solid hardwood are joined at the corners with a geometrically stout bullnose, offering subtle, yet confident personality. Choose solid hardwoods or a detailed natural hardwood chevron design. With shades, available in pairs. Handmade in the USA. *Left to Right:* Dark Chevron, Walnut, Quilted Oak, Jatoba.
