**New lighting and new A/C Heat unit**

We have upgraded the lighting in the church and the parish center through a program with PSE&G. After reviewing our energy use, we determined we could save on our electricity bills by using LED lights. We have also replaced one of the AC / Heat units at the Parish Center in preparation for the days when we can safely gather again!

**Theology of the Body**

Bishop Kurt Burnette has asked pastors to inform their deacons and parishioners that Catholic Distance University is offering a free Online conference on St. John Paul II's Theology of the Body. St. John Paul II offered these originally as a series of talks in his general audiences on the human person and especially on sexuality, reproduction, and gender based on the revealed Faith, especially on the revelations in the early chapters of the Book of Genesis. Bishop Kurt noted: "Generally speaking, I find St. John Paul's teachings that are now called "Theology of the Body" to be remarkably similar to our own theological tradition which beautifully emphasizes that we were created in the image and likeness of God. The 2021 Theology of the Body Conference will be held April 30-May 2 and will feature over eighty of the most prominent Catholic speakers such as Christopher West, Scott Hahn, Sr. Bethany Madonna among others.
