

TURINO
MACHIATTO

TURINO
GRAY ELM

TURINO
WHITE ASH

- + The Turino is a 5-piece shaker style door. It's a clean and modern door that's also simple and easy to maintain.
- + The Turino door is made from special matte textured melamine and is available in three popular colors: Macchiato, White Ash and Grey Elm. It is full overlay and a part of our Premium European, frameless cabinet which includes full backs on bases and uppers, white interiors and meta-box type drawer system.
- + Contemporary design themes require sleek and consistent color. For this reason, engineered materials such as the Turino door and it's selection of finishes have been developed to specifically address this need and desire for consistency. These finishes replicate the look and beauty of natural woods without the variable grain patterns.
- + It's popular style and bold colors makes the Turino a smart, versitle choice for any design.
