Sylvia L. Daniels

Sylvia L. Daniels, an award-winning supplier diversity professional and entrepreneur, asks the hard questions about Christian relationships in her debut book, *Love Conversations: Christian Perspectives about Love and Relationships*. Running on dark chocolate and coffee, Sylvia L. Daniels has brought her own and other's experiences to the table to be laid out as conversation starters for her readers. Sylvia is a native Detroiter and a lover of great music legends such as Stevie Wonder and Commissioned. She cemented her life as a bibliophile at a young age and now hopes to follow in the footsteps of great female authors like Karen Kingsbury and Shonda Rhimes. Through her work as a diversity professional, Ms. Daniels has applied the lesson of listening to the perspectives of others to *Love Conversations* in hopes that it will encourage readers to gain insight from their friends, families, and spouses. While not an expert on relationships or an omnipotent being, Sylvia L. Daniels professes simply to be a spark that will ignite real *Love Conversations* once again. She currently lives in Oak Park, Michigan. She loves watching her three beautiful children succeed as young adults.
