

Auto ID product catalogue 2025

www.kemtek.co.za

Driving The Best Possible Outcomes For You

Kemtek has been evolving for over 36 years as part of our constant drive to deliver the best possible outcomes to our customers. We have grown from being an equipment supplier into a trusted, multifaceted technology solutions partner.

Working with our principals, among whom you'll find world-class, innovative OEMs, we have pivoted our business to focus on several key areas: Auto ID Solutions, Labelling Solutions, Digital Print Solutions, Digital Finishing Solutions, Large Format Printing Solutions, Office & Creative Products, and Additive Manufacturing Technology.

NEW PREMISES, ENHANCED CAPABILITIES IN 2024

Further to our continuing evolution, we relocated our Head Office from its long-time location in the south of Johannesburg to new premises in Midrand in May 2024. An ever growing and vibrant business hub, the Midrand region positions Kemtek firmly between the vital commercial poles of Johannesburg and Pretoria, enhancing our capabilities and allowing us to better serve our customers.

Simultaneously, we opened a new Distribution and Service Centre in Germiston, for the same reasons as above.

Kemtek Auto ID Technologies: The Latest & Greatest Products Available

The World's Leading OEMs

Kemtek has strong relationships with and access to all the world's leading original equipment manufacturers (OEMs) and their technologies and products. These OEMs include **Argox, CipherLab, Crosscall, Datalogic, Epson, Honeywell, SATO** and more. This means that Kemtek customers constantly benefit from the very latest products available on the global market, keeping them at the forefront of the Auto ID technologies relevant to their particular area of operations.

Kemtek's Auto ID Inventory

Kemtek's ever-expanding inventory of Auto ID and related products includes bar code scanners, imagers, terminals, mobile computers, rugged smartphones and tablets, and desktop and mobile bar code printers, as well as rewinders, cash drawers, price checkers and fingerprint readers. These are all distributed across Southern Africa and beyond.

Kemtek Auto ID Verticals

Among others, Kemtek supports the following verticals with hardware and consumables: **agriculture** and **food production** (traceability), **logistics & warehousing** (order picking & fulfilment), **healthcare** (patient and sample management), **point of sale** and **retail** (POS systems & stock management solutions), as well as **access control, enhanced mobility** and **ruggedised devices, adaptive manufacturing & industrial, security, tracking, and mining.**

Our Ribbon Slitting Facility

In addition to Auto ID products and the technical support for these, Kemtek operates its own ribbon slitting plant, located in City Deep, Johannesburg. Over the last **24** years, the facility has built up an enviable reputation for quality and value, supplying almost every imaginable size and format of Thermal Transfer Ribbon (TTR) required by resellers and B2B customers in South Africa and beyond.

National Office & Distribution Footprint

Kemtek's ongoing quest is to scour the globe for the finest technology solutions on offer from the world's leading and most innovative original equipment manufacturing brands, based largely in North America, Europe, the Middle East and Asia.

Once shipped to South African shores, these products are transported to Kemtek's regional distribution hubs, under the auspices of our Cape Town, Durban, Gqeberha and Johannesburg branches. From there, the goods are distributed throughout the sub-Saharan region.

Customer & Technical Support

The Sale is Just the Start. Our promise is that the sale is just the beginning: as a Kemtek customer, you'll benefit from superlative after-sales service and technical support, carried out by factory-trained and qualified regional technicians, and from our development of remote solutions capabilities.

Product Number	OS D2-250 Pro (OS 99-D2202-002)
Description:	Argox OS D2 250 Pro 2" DT 7ips, USB, USB Host, Ethernet, PPLA/PPLB/PPLZ
Category:	Desktop Label Printers
Link to product listing:	https://kemtek.co.za/product/argox-d2-250-pro-series/

Product Number	OS 04250 Pro
Description:	Argox OS 04250 Pro: 4", DT/TT 7ips, RS232, USB, USB Host, Eth, A/B/Z AutoDetect 203 DPI, (Ribbon: 12.7mm Core, max 110m)
Category:	Desktop Label Printers
Link to product listing:	https://kemtek.co.za/product/argox-o4-250-pro-series/

Product Number	OS D4250 Pro
Description:	Argox OS D4250 Pro: 4" DT 6ips, Ethernet, USB host, USB, RS232, A/B/Z
Category:	Desktop Label Printers
Link to product listing:	https://kemtek.co.za/product/argox-o4-250-pro-series/

Product Number	OS-214EX Pro
Description:	Argox OS-214EX Pro: 4" DT/TT 3ips, RS232, Parallel, USB, PPLA/B, (Ribbon: 13mm core, 92m)
Category:	Desktop Label Printers
Link to product listing:	https://kemtek.co.za/product/argox-os-214ex-pro/

Product Number	CP2140EX Pro (OS 99C2102107)
Description:	Argox CP2140EX Pro DT/TT 4 Inch, 203dpi, 6 IPS, USB/LAN/RS232, 300M Ribbon, PPLA/B/ 25 mm Ribbon Core (OS 99-C2101-107)
Category:	Desktop Label Printers
Link to product listing:	https://kemtek.co.za/product/argox-cp-2140ex-pro-series/

Product Number	OS 99-D4202-004 (D4 280-Plus)
Description:	Argox D4 280-Plus DT LINERLESS Printer, 203dpi, 6 IPS, USB, RS232, Ethernet, includes Cutter, for use with Linerless material only
Category:	Desktop Label Printers
Link to product listing:	https://kemtek.co.za/product/argox-d4-280plus/

Product Number	CP-3140EX Pro
Description:	Argox CP-3140EX Pro: Ethernet, USB host, USB, RS232, Rib 300m, 25mm core, RTC, PPLA, PPLB, PPLZ
Category:	Desktop Label Printers
Link to product listing:	https://kemtek.co.za/product/argox-cp-3140ex-pro-series/

Product Number	OS IX4-250 Pro
Description:	Argox OS IX4-250 Pro: 4" DT/TT, 8ips, Ethernet, USB host, USB, RS232, Rib 450m, 25mm core, RTC, PPLA, PPLB, PPLZ
Category:	Industrial Label Printers
Link to product listing:	https://kemtek.co.za/product/argox-ix4-250-pro-series-with-cutter/

Product Number	iX4-280
