Driving The Best Possible Outcomes For You

Kemtek has been evolving for over 36 years as part of our constant drive to deliver the best possible outcomes to our customers. We have grown from being an equipment supplier into a trusted, multifaceted technology solutions partner.

Working with our principals, among whom you'll find world-class, innovative OEMs, we have pivoted our business to focus on several key areas: Auto ID Solutions, Labelling Solutions, Digital Print Solutions, Digital Finishing Solutions, Large Format Printing Solutions, Office & Creative Products, and Additive Manufacturing Technology.

NEW PREMISES, ENHANCED CAPABILITIES IN 2024

Further to our continuing evolution, we relocated our Head Office from its long-time location in the south of Johannesburg to new premises in Midrand in May 2024. An ever growing and vibrant business hub, the Midrand region positions Kemtek firmly between the vital commercial poles of Johannesburg and Pretoria, enhancing our capabilities and allowing us to better serve our customers.

Simultaneously, we opened a new Distribution and Service Centre in Germiston, for the same reasons as above.

Our Promise To You

RELATIONSHIPS

We invest heavily in developing and nurturing relationships with all our stakeholders through solving problems and adding value. At the same time, we empower our people to build rewarding careers in the solutions industry.

COLLABORATION

We take the time to understand your business priorities, and the strategies you've devised to attain them. We can then recommend solutions aligned with your growth and transformation priorities.

WORLD-CLASS TECHNOLOGY

Thanks to our solid distributor status with leading manufacturers and suppliers, we have priority access to the solutions and expertise you need to take your business to the next level.

INNOVATION

The evolution of Kemtek is a story of continuous innovation. We have remained curious about the systems and approaches that can allow us to enhance our solutions offering and help our customers grow.

EXCELLENCE

We strive for excellence in everything we do – and in empowering our customers to deliver outstanding outcomes to their own customers through the provision of industry-leading innovations.

National Office & Distribution Footprint

Kemtek's ongoing quest is to scour the globe for the finest technology solutions on offer from the world's leading and most innovative original equipment manufacturing brands, based largely in North America, Europe, the Middle East and Asia.

Once shipped to South African shores, these products are transported to Kemtek's regional distribution hubs, under the auspices of our Cape Town, Durban, Gqeberha and Johannesburg branches. From there, the goods are distributed throughout the sub-Saharan region.

Customer & Technical Support

The Sale is Just the Start. Our promise is that the sale is just the beginning: as a Kemtek customer, you'll benefit from superlative after-sales service and technical support, carried out by factory-trained and qualified regional technicians, and from our development of remote solutions capabilities.
